Application No. 10/510,392

Continuation of Substance of Interview including description of the general nature of what was discussed: The communications were conducted over email, over the course of several days, from 09/13/09 through 09/18/09. Authorization was given by Applicant to conduct the communications by email (see attached letter authorizing email communications). The Examiner informed Ms. Nair that the fee calculation for the original claims was incorrect. The fee calculation had only accounted for 7 of the 8 independent claims. A fee of \$88.00 had to be paid for the remaining independent claim in order to process the case for allowance. Authorization was given to charge the fee to a credit card. Additionally, authorization was given to correct language in the specification by Examiner's amendment.
